HOME SWEET HOTEL IN A PRIME LOCATION

Take a stroll in urban surroundings, drop into a pub or restaurant, do some shopping, go to the museum or enjoy a walk along the Stockholm waterfront and parks. Stay in the city center, where you're never more than a few minutes' walk back to a freshly made bed. Then why not curl up with a movie or a good book, or take a sauna?

CONFERENCE FACILITIES

With a prime city centre location, the hotel has six contemporary and effective conference suites with projectors and wireless broadband included in their rates. We can accommodate up to 120 delegates in the largest suite and many more in the winter garden for workshops, product launches or similar events. These premises are ideal for breakfast seminars and client presentations. The hotel restaurant also serves home cooking with a contemporary twist.

A PROACTIVE ENVIRONMENTALIST SINCE 1995

Rica Hotel Stockholm has Nordic Swan and international ISO 14001 environmental accreditation. SEK 1 of every nightly room rate is donated to Rica Hotels' Environment Fund, founded in 1995, which has donated nearly SEK 4 m to some 50 environmental and social welfare projects.
